

Thank you for your participation in the Bridal Extravaganza. Below are the details for load in.

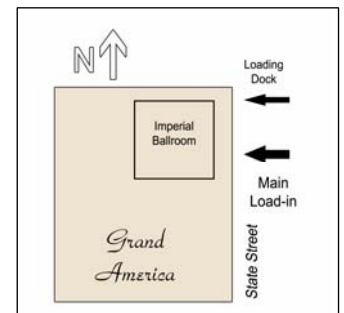

The following are some details to ensure a smooth experience at the bridal show.

- Contact Modern Display (983-8160) to make sure you have everything that you need for your booth. Electricity ordered on the day of the event will cost \$85, chairs \$2.00 and tables \$65.00.
- Prior to setting up your booth every vendor must *check in*. We will collect all gifts and/or gift certificates at this time. You can prepare one of your own, bring the actual gift or fill out one a prepared one.
- Those with unpaid balances must pay before setting up.
- If you are in a booth where food or drink samples are, you must have your floor covered (if you cannot provide it yourself, you may contact Modern Display for extra carpeting of your area). You must also provide a garbage can within your booth for trash to help keep the hall clean.
- As always, no booth sharing is allowed. You may exhibit items from other companies to enhance your booth, however no signage or handouts are allowed for them.

Load In Instructions

- **Provo Marriott:** Set up 8:00 am -10:30 am on Saturday January 26th. Enter on the north side of the hotel. Tear Down 5:00 to 9:00 pm on Saturday, January 26th.
- **Grand America:** Set up 7:30 to 10:30 am Saturday, January 5th. Enter on the east side (State Street) of the hotel. Tear down 5:00 to 10:00 pm Saturday, January 5th.

On the map is an illustration of the only load-in areas for Grand America. SLC Police will barricade a portion of State Street for our vendors to load in Saturday morning and Saturday evening. **This is a five star hotel, and there is no load-in whatsoever through the main elevators or through the lobby.**

Parking

The pre-purchase price of parking is \$3/day per vehicle at Grand America. We will pay for one vehicle per booth, per day. Additional tickets can be ordered through us until Wednesday 5pm. Regular parking price is \$2 for the 1st hour, \$1/hr after that. There is limited parking available on the street. Also, parking behind the Flower Patch is restricted, and violators could be ticketed or towed.

The Marriott has opened up there covered parking that is adjacent to the hotel, to the east. So it is free all day long for vendors and brides. There is a lot across to the street to the north for your larger vehicles, but there is a \$5 charge for the day.
